UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

JARRITOS, INC.,

No. C-05-2380 JSW (EMC)

Plaintiff,

**ORDER GRANTING PLAINTIFF'S
MOTION FOR SHORTENED TIME**

v.

LOS JARRITOS, *et al.*,

(Docket No. 100)

Defendants.

_____ /

Plaintiff has filed a motion for additional depositions, which it asks be heard on shortened time. The Court hereby **GRANTS** the request for shortened time. If the motion were not heard on shortened time, then the motion would not be heard until after the discovery cut-off of December 17, 2006. Moreover, Defendants have not demonstrated that they would be prejudiced if the Court were to consider the motion on shortened time, especially as Defendants have already provided a substantive opposition to Plaintiff's motion.
